

This map shows posted bridges as red triangles. Truckers, in establishing their truck routing, need to avoid the posted bridges (red triangles) or strictly comply with the specific weight limitations at each posted bridge.

The orange dots depict locations of bridges that are on the Maine DOT’s Watch List, and could be subject to weight limitations at a future date. Truckers should avoid these bridges whenever possible, as increased truck weights may hasten the need for posting.

**Bridges Posted for Weight Limits in Androscoggin County**

| Town Name        | Routes / Road Carried  | Common Bridge Name | Bridge # | Weight Limit |
|------------------|------------------------|--------------------|----------|--------------|
